

Inspired Women

PAYING IT FORWARD

We're creating space for Women who have more in their lives to take action on behalf of Women who have less. It's philanthropic networking at one-hour quarterly meetings raising vital awareness and critical funding for local and global nonprofits. For only a \$100 commitment, members are able to nominate and vote for their favorite women's nonprofit. Quarterly, thousands of dollars are given to the winning nonprofits, while we march toward a collective giving goal of one million dollars.
